

# GSTIN Integration Automation Advisory

## GSTIN Integration Automation

GSTIN Integration service allows trade to integrate their GSTIN with customs. To integrate GSTIN with custom follow the following process:

### Step1:

The GSTIN integration functionality is available under ICEGATE Services on ICEGATE home page. Click on **IEC GSTIN Integration** Tab to Integrate GSTIN with Custom

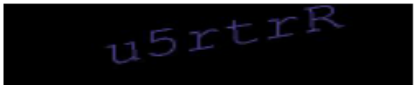

### Step2:

Enter the GSTIN Number and Captcha and Click on **Submit** button.

Home > GSTIN Integration if not available with customs

## INTEGRATE GSTIN

Enter GSTIN	<input type="text"/>
Captcha	<input type="text"/>
	
<input type="submit" value="Submit"/>	

### Step3:

On successful submission on GSTIN number and Captcha, GSTIN will register with custom and reflect on custom after 24 hours.
